

Pure Science. Perfect Finish.

TECHNICAL DATA SHEET

Product Name: **A1 PURE COMPOUND**

Part No.	Size	Unit
A1-16	16oz	12/Case
A1-32	32oz	12/Case
A1-1G	1 Gallon	4/Case

Description: A1 PURE COMPOUND is a modern, fast acting, paint leveling compound designed to remove 1200 grit or finer sand scratches. This superior formulation provides a high gloss, haze-free finish with easy clean-up and very little swirling. Silicone-free, body shop safe and VOC compliant.

Directions: Shake well. Apply product evenly to a 2 ft by 2 ft area. Using a rotary polisher with a wool or foam pad, slowly buff using an overlapping pattern with enough pressure to eliminate surface defects. As the compound material diminishes, finesse the paint surface - progressively using less pressure until a high gloss is achieved.

General Info:

Cautions: Can cause eye irritation. Excessive inhalation may cause respiratory irritation. Ingestion can cause gastrointestinal irritation. Prolonged skin contact may cause slight irritation.

First Aid: Eyes: Flush with water for 15 minutes, call physician if irritation persists. Inhalation: Remove to fresh air, call physician if irritation persists. Ingestion: Do not induce vomiting, call physician.

Technical Data:

Flash Point:	>200F (>93.3C)
Appearance:	Tan/Light Brown
Physical State:	Thick pourable cream
Odor:	Characteristic
Specific Gravity:	1.05 (H ₂ O = 1)
Dangerous Goods:	Not regulated - US DOT, IATA, IMDG
