

Pure Science. Perfect Finish.

TECHNICAL DATA SHEET

Product Name: A14 FINISHING POLISH

Part No.	Size	Unit
A14-16	16oz	12/Case
A14-32	32oz	12/Case
A14-1G	1 Gallon	4/Case

Description: A14 FINISHING POLISH is a light lotion compound that is custom designed to remove light imperfections, such a swirls, minor scratches, etc. from delicate paint finishes found on many higher end autos. Use A14 FINISHING POLISH to achieve an ultra mirror-like flawless finish. Body shop safe and VOC compliant.

Directions: Shake well. Shake well. Buffer Use: Use a wool pad for moderate imperfections and foam pad for light imperfections. You may use a wool pad first and switch to a foam pad as surface improves. Apply evenly to a cool clean 2 ft by 2 ft area. Begin buffing slowly using light to moderate pressure. Decrease pressure as imperfections disappear. Hand Use: Apply a small amount to area. Using a soft terry cloth towel, rub effected area until desired results are achieved.
