

Pure Science. Perfect Finish.

TECHNICAL DATA SHEET

Product Name: **A34 Silica Paste Wax**

Part No.	Size	Unit
A34-4	4oz (144g)	12/Case
A34-8	8oz (227g)	12/Case

Description: A34 SILICA PASTE WAX is a premium grade, completely synthetic, inorganic paste wax that leaves a more durable, hydrophobic, mirror-like shine than conventional carnauba-based paste waxes. Use as the final finish on clean unoxidized paint.

Directions: Apply a thin coat of wax by hand or orbital polisher to clean unoxidized paint. Allow to dry to a haze. Remove by hand with a clean soft cloth or orbital polisher. Due to the silica film formers, starting with smaller surface areas and adjusting for less haze time is advised as formula can get grabby due to curing.

General Info:

Cautions: Can cause eye irritation. Excessive inhalation may cause respiratory irritation. Ingestion can cause gastrointestinal irritation. Prolonged skin contact may cause slight irritation.

First Aid: Eyes: Flush with water for 15 minutes, call physician if irritation persists. Inhalation: Remove to fresh air, call physician if irritation persists. Ingestion: Do not induce vomiting, call physician.

Technical Data:

Flash Point:	>200 F (>100 C)
Appearance:	Bone White
Physical State:	Solid (Waxy)
Odor:	Sweet
Specific Gravity:	0.82 g/cm ³ , 6.84 lb/USGal (H ₂ O = 1)
Dangerous Goods:	Not regulated - US DOT,IMDG
