Description:

A39 GUARDIAN SEAL WAX is a breakthrough technology that introduces a new dimension of gloss and protection. This new formula produces deep, vibrant color and a clear wet-look. Provides outstanding water beading and protection against corrosion, oxidation, UV rays and surface contaminants. This resin reinforced formula builds incredible protection and reduces surface tension. Water beads up and sheets off the paint finish, month after month. VOC compliant formula.

Directions:

Shake well. Hand use: Spread A39 Guardian Seal Wax with polish sponge using circular motion. Let dry completely. Buff to a shine with polish cloth, soft clean towel or orbital polisher. Orbital use: Apply A39 Guardian Seal Wax to bonnet. With orbital on, spread evenly over entire painted surface. Let dry completely. With a clean bonnet, buff to a high gloss.
