

**Pure Science. Perfect Finish.**

## TECHNICAL DATA SHEET

Product Name: **D15 Rinseless Wash**

Part No.	Size	Unit
D15-32	32 fl oz	12/Case
D15-1G	1 Gallon	4/Case
D15-55G	55 Gallon	Drum

Description:

D15 Rinseless Wash is designed to provide a high foaming, thoroughly cleaning formula that requires no additional water from an external source. D15 Rinseless Wash produces foam using a handheld sprayer and does not require a foam cannon or external water source and will leave a pure, clean surface with no waxes or polymers. The surfactant blend in this formula safely lifts dirt and other soils off the surface so they can be trapped in a microfiber towel and prevent causing swirls to the paint work.

Directions:

Spray product onto soiled vehicle and use several high nap microfiber cloths to gently wipe away contaminants in a single direction, DO NOT OVERLAP. Wipe in one direction changing surfaces of the towel frequently. Once towel is saturated, switch to a fresh towel.

General Info:

Cautions:

Can cause eye irritation. Ingestion can cause gastrointestinal irritation. Prolonged skin contact may cause slight irritation.

First Aid:

Eyes: Flush with water for 15 minutes, call physician if irritation persists. Ingestion: Do not induce vomiting, call physician.

Technical Data:

Flash Point:	>100 °C (Closed Cup)
Appearance:	Pale Amber, Clear
Physical State:	Liquid
Odor:	Fruity
Specific Gravity:	0.96 g/cm <sup>3</sup> , 8.00 lbs/USGal (H <sub>2</sub> O = 1)
