

Pure Science. Perfect Finish.

# TECHNICAL DATA SHEET

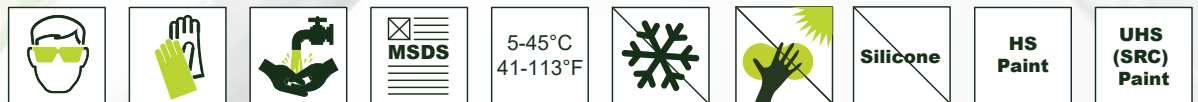

Product Name: **D18 SNOW FOAM**

Part No.	Size	Unit
D18-1G	1 Gallon	4/Case
D18-5G	5 Gallons	Cube
D18-55G	55 Gallons	Drum

**Description:** D18 SNOW FOAM is a high foaming blend of multiple detergents that break through road film and carbon, leaves paint and glass clean and shining. Completely safe on all paint types, will not strip wax. Non-phosphate, biodegradeable, alkaline solution.

**Directions:** Use with foamer attached to a 32 fl oz container, add 4 oz D18 and 28 oz water. Gently shake the bottle to mix it well, for consistent results. Apply to cool surfaces only. Foam entire vehicle and let dwell for 3-5 minutes, depending on soil conditions. Power rinse with high pressure spray. Do not let foam dry on surface.

**General Info:**

**Cautions:** Eyes: Corrosive, causing burns and possible corneal damage. Skin: causes irritation. Inhalation: may cause irritation. Ingestion: harmful if swallowed. Alkaline solution.

**First Aid:** Eyes: Flush with water for 15 minutes with eyelids open. Seek immediate medical attention. Skin: rinse with water. Launder contaminated clothing before re-use. If irritation persists, contact a physician. Inhalation: remove to fresh air. If irritation develops and/or persists, seek medical attention. Ingestion: Do not induce vomiting. Give water or milk. Never give anything by mouth to an unconscious person. **SEEK IMMEDIATE MEDICAL ATTENTION.**
