## TECHNICAL DATA SHEET

Product Name: **D52+ Hyper Shine Dressing Plus**

Part No.	Size	Unit
D52+-16	16oz	12/Case
D52+-1G	1 Gallon	4/Case
D52+-5G	5 Gallon	UN Hedpak
D52+-55G	55 Gallon	Drum

**Description:**

D52+ HYPER SHINE DRESSING PLUS is a concentrated dressing that dilutes with water to make a multi-purpose dressing for use on interior and exterior surfaces, such as vinyl, plastic, rubber and engine compartments. D52+ Hyper Shine Dressing Plus is an improvement on the original by generating additional gloss and longevity through vastly increased silicone content. Non-toxic and non-flammable.

**Directions:**

Shake Well. Dilute 1:1 with water for extreme gloss or 2:1 or 4:1 for high gloss or a satin shine. Spray directly or wipe on clean dry surface. Allow D52+ Hyper Shine Dressing Plus to penetrate for maximum gloss and protection. Wipe off excess with clean soft towel. If higher gloss is desired, reapply or dilute less. Use regularly for maximum protection. NOTE: Do not use on surfaces where a smooth slick surface is not desirable or safe for foot pedals, floor mats, steering wheels, etc.

**General Info:**

**Cautions:**

Can cause eye irritation. Excessive inhalation may cause respiratory irritation. Ingestion can cause gastrointestinal irritation. Prolonged skin contact may cause slight irritation. Harmful if swallowed.

**First Aid:**

Eyes: Flush with water for 15 minutes, call physician if irritation persists. Inhalation: Remove to fresh air, call physician if irritation persists. Ingestion: Do not induce vomiting, call physician.

**Technical Data:**

Flash Point:	Not Determined (Closed Cup)
Appearance:	Pale Blue
Physical State:	Liquid
Odor:	Fruity
Specific Gravity:	0.92 g/cm <sup>3</sup> , 7.65 lbs/USGal (H <sub>2</sub> O = 1)
Dangerous Goods:	Not regulated - US DOT, IATA, IMDG
