

Pure Science. Perfect Finish.

TECHNICAL DATA SHEET

Product Name: **M12 Full Speed Compound**

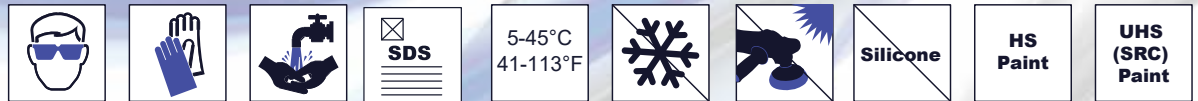

Part No.	Size	Unit
M12-16	16oz	12/Case
M12-32	32oz	12/Case
M12-1G	1 Gallon	4/Case

M12 FULL SPEED COMPOUND is a modern, fast acting, gel coat leveling compound designed to remove 800 grit or finer sand scratches. This superior formulation provides a high gloss, haze-free finish with easy clean-up and very little swirling. Silicone-free and VOC compliant.

Directions:

Shake well. Apply product evenly to a 2 ft by 2 ft area. Using a rotary polisher with a wool or foam pad, slowly buff using an overlapping pattern with enough pressure to eliminate surface defects. As the compound material diminishes, finesse the paint surface - progressively using less pressure until a high gloss is achieved.

General Info:

Cautions:

Can cause eye irritation. Excessive inhalation may cause respiratory irritation. Ingestion can cause gastrointestinal irritation. Prolonged skin contact may cause slight irritation.

First Aid:

Eyes: Flush with water for 15 minutes, call physician if irritation persists. Inhalation: Remove to fresh air, call physician if irritation persists. Ingestion: Do not induce vomiting, call physician.

Technical Data:

Flash Point:	>200F (>93.3C)
Appearance:	Tan/Light Brown
Physical State:	High viscosity paste
Odor:	Characteristic
Specific Gravity:	1.26g/cm ³ , 10.50 lb/USGal (H ₂ O = 1)
Dangerous Goods:	Not regulated - US DOT, IATA, IMDG
