M14 -32	32oz	12/Case
M14 -1G	1 Gallon	4/Case

M14 GEL COAT RESTORER is a modern, fast acting, gel coat leveling compound designed to remove 1200 grit or finer sand scratches. This superior formulation provides a high gloss, haze-free finish with easy clean-up and very little swirling. Silicone-free and VOC compliant.

Shake well. Apply product evenly to a 2 ft by 2 ft area. Using a rotary polisher with a wool or foam pad, slowly buff using an overlapping pattern with enough pressure to eliminate surface defects. As the compound material diminishes, finesse the paint surface - progressively using less pressure until a high gloss is achieved.
